

You are invited to Schramm's Water Well & Geothermal Drill Rig Operation & Maintenance Service Seminar at the West Chester, PA factory.

Don't miss the opportunity to:

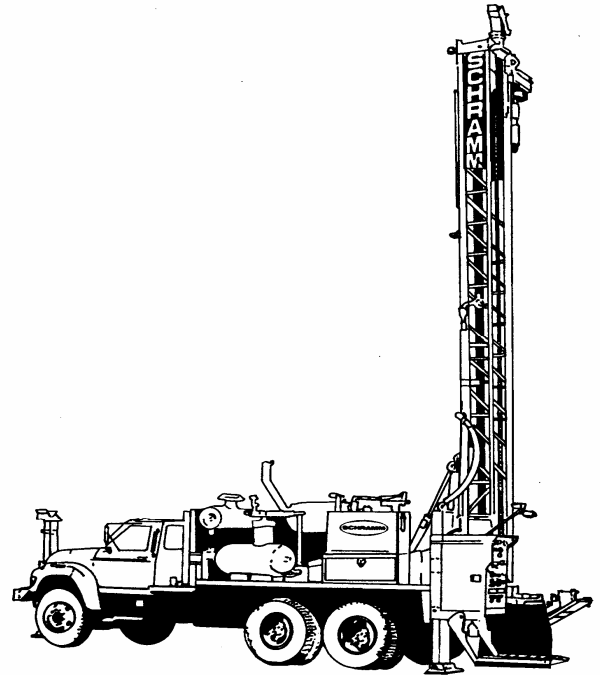

Learn how to operate, troubleshoot, and maintain drill rig – engines, hydraulic systems, air compressors, mud systems, PTO drives, and various mechanical accessories.

See what's new in drilling technology and energy saving options!!!

Date: February 25-26, 2010

**Time: 2/25 - 8:00 AM to 5:00 PM
2/26 - 8:00 AM to 3:00 PM**

**Where: Schramm, Inc.
800 E Virginia Ave
West Chester, PA 19380**

A continental breakfast and lunch will be provided by Schramm, Inc during the seminar. Dinner on the evening of February 25 will also be provided. A certificate of completion will be awarded at the end of the seminar. A package will also be provided for submittal to your respective state agency for continuing education credits.
